ANNUAL REPORT

2025 Annual Report

January 1 – December 31, 2025

A letter from our President and Board Chair

Dear friends,

In 2025, the people of northern Arizona showed again what generosity looks like at elevation. When post-fire floods reached homes in the Timberline area, neighbors arrived with shovels before the water had receded. When federal funding for rural child care faltered, 61 new donors joined the First Steps Infant & Toddler Fund. And when our Plateau Indigenous Communities Fund advisory council asked for more resources for language revitalization, donors answered with the largest single year of gifts in the fund's history.

Across all of our funds, the Foundation granted $7.85 million in 2025 to more than 600 nonprofits, schools, and tribal programs. Our assets grew to $168.4 million, and 22 families and businesses opened new charitable funds. Behind every number in this report is a person who chose to invest in this place for the long term.

Thank you for being part of that choice.

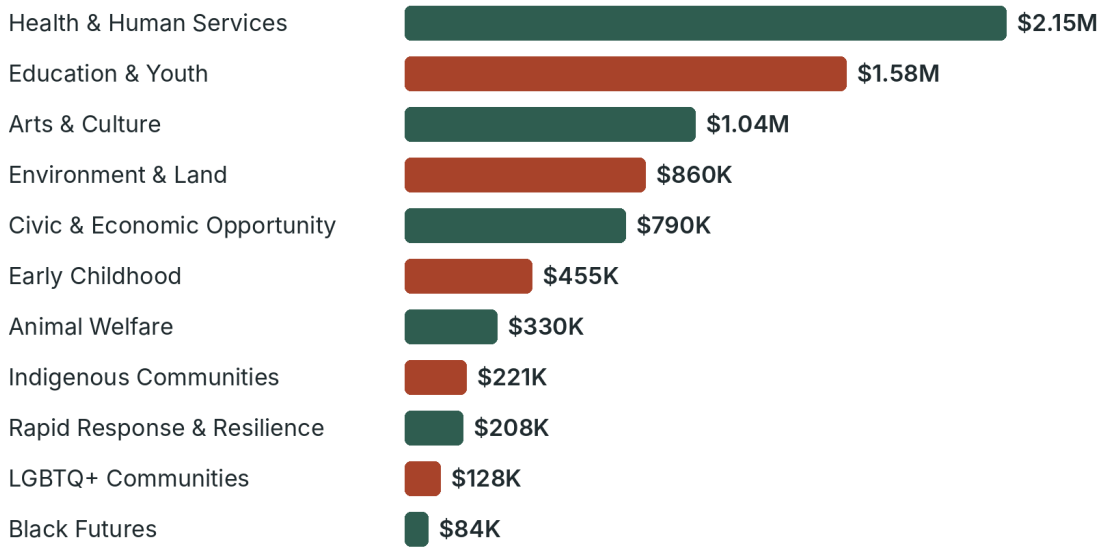

Renata Holloway, President & CEO
Gloria Atcitty, Chair, Board of Directors
