About the program

Strong communities need strong nonprofits. Stronger Nonprofits Capacity Grants fund time-limited projects that make an organization more effective and resilient, such as a strategic plan, a new financial management system, a fundraising plan, board development, or leadership succession planning.

Capacity grants are paired with the Foundation's Nonprofit Learning Hub. Grantees join a peer cohort that meets four times during the grant year, and many projects use consultants from the Foundation's vetted consultant roster.

Capacity grants do not count against an organization's eligibility for Community Impact Grants.

Focus and impact areas

Focus areas: Civic & Economic Opportunity.

We welcome proposals that address one or more of the following impact areas:

- Strategic and business planning
- Financial management systems and controls
- Fund development planning and donor database systems
- Board recruitment, training, and governance policies
- Technology, data, and cybersecurity improvements
- Executive transition and leadership succession planning

Populations served

- Nonprofit staff, executive directors, and board members
- Communities served by small and mid-sized nonprofits

How to apply

Capacity grants use a two-stage process. Completing the Capacity Readiness Self-Assessment before submitting a letter of inquiry is required.

1. **Assess readiness.** Complete the Capacity Readiness Self-Assessment with your board chair. Attach it to your letter of inquiry.
2. **Submit a letter of inquiry.** Complete the Letter of Inquiry Template and email it with the self-assessment to learning@cinderpeakscf.org by 5:00 p.m. MST on November 13, 2026.
3. **Planning conversation.** Invited applicants meet with the Nonprofit Learning Coordinator to refine the project scope. Invitations are sent by December 4, 2026.
4. **Submit the full application.** Submit the full application, Grant Project Budget Template, and any consultant proposal in the CPCF Grant Portal by 5:00 p.m. MST on January 22, 2027.
5. **Decision and cohort launch.** Awards are announced by February 19, 2027. The first cohort session takes place in March 2027.

Review criteria

- The project addresses a clearly identified organizational need
- Leadership and board commitment
- Realistic scope, timeline, and budget
- Potential to strengthen the organization's long-term sustainability

Reporting requirements

Grantees submit a mid-year progress report and a final grant report, and participate in all four cohort sessions.

- Progress on project milestones
- Changes in organizational practice resulting from the project
- Budget-to-actual expenses and consultant deliverables

Due: Interim report due September 15, 2027; final report due March 31, 2028.
